

## Friends Of Riverside Joint Project- Indoor Play Resources

For those days when the weather is too bad for us to play outside, each class has an exciting opportunity to generate a small fund raising project to raise £50 and we are excited to be working with the Friends of Riverside who will be supporting each class's total with a further £50 donation to buy resources that they would like to use while they are inside. The ideas so far for fundraising have included toy stalls and an amazing selection of delicious cakes! The children are learning about budgets and are starting to spend their money wisely - they have suggested jigsaws, board games and dedicated art boxes.

You may have received messages alerting you to these and we are very grateful for your support with this - either making, baking or spending. !
