

Pastoral Workshop
Wednesday 6th December
6:00pm-7:00pm

This year we are pleased to offer a new workshop based on a pastoral theme which will explain to you the different ways your child may be supported in terms of their general wellbeing at school.

The types of areas we will be covering at this workshop will be:

- **Social, emotional and mental health including anxiety and bereavement**—how we can support you and your child if they are experiencing these difficulties and the agencies whose support we can access for you.
- **Attendance**—how we can support you to ensure your child attends regularly and on time.
- **Friendship issues**—how we support your child to resolve friendship issues and the tools we can equip them with to deal with change.
- **Bullying**—the procedures that are in place at school to deal with bullying and how we can support your child and you should this be an issue for your child.
- **SEND support**—how we support a child with Special Educational Needs and how we can help you to support their needs at home, including our links to outside agencies to access support.
- **Parent support**—how we can support you with any issues you may be experiencing with your child at home.
- **Transition**—how we can support you and your child as they move through school and beyond

Please do come along. Refreshments will be served throughout the evening and staff will be present for general discussions and to help with your queries.

Pastoral Workshop

In order that we can prepare effectively, please let us know if you will be attending the session.

We will/will not be attending the Pastoral Workshop evening on 6th December 2017.

Number of adults attending session: _____

Family name/details: _____

If you have any particular questions that you would like to be answered during the workshop, please write them down below.
