

# Our Internet Safety Words

Please

Always ask before you use the internet at home or at school.

Shh

Don't tell strangers your name, where you live, your phone number or the name of your school.

Um

If something looks strange or you feel unhappy about something always tell a grown up.

Never

Never send pictures of you, your friends or family to people you don't know.

Always

Use kind words when you send messages and emails.
